MASONIC MEMENTO 2023
FOREWORD

The District Grand Lodge of Sierra Leone and the Gambia EC

Oliver Wendell Holmes, the great Supreme Court Justice, once said that there are three types of people. There those who make things happen, there are people who watch what is happening, and there are also people who haven't the slightest idea what is happening.

In Masonry, the catch phrase is, we strive to make good men better, in other words its all about leadership in action and about the people who make things happen.

On behalf of the officers of the District Grand Lodge of Sierra Leone and The Gambia, under the United Grand Lodge of England, we thank, once again our compilers of this memento. Last year we were hoping that by now we would have unveiled a moving website of our district but that is yet to be achieved not for want of efforts. We shall continue to strive towards that goal.

This year you will notice that we now have statements from all three heads of the three constitutions. This is an effort to show collaboration and Unity even in our diversity. It is hoped that in our coming closer together we shall build a better and stronger fraternity in Unity.

The year just gone was a challenging one in all aspects. Let us hope that the New Year will be better for all of us, and we pray that we shall see changes for the good of all concerned.

On behalf of the District Grand Lodge of Sierra Leone and The Gambia EC, I wish all brethren

and their respective families Merry Christmas and a bright, prosperous and Happy New Year.

I recommend this Masonic Memento to all. Please ensure you buy one to keep abreast and assist your plans but also buy another for you believe will benefit from the information therein.

Emile Moses Charles Carr
District Grand Master
Sierra Leone and The Gambia EC

Grand Inspector of the Irish Inspectorate in Sierra Leone.

This year I decided to add my voice to the printing of the Memento for the year 2023. Let me on behalf of the Inspectorate thank the compilers for taking their time, energy and resources to make it a possibility to come up with this brilliant idea to continue what their predecessors have been doing over the years. I want to say a big thank you for your relentless efforts and wish you all success.

I urge every brother to get a copy to keep you abreast of our Masonic activities throughout the year and not only that but serves as an information center of masters and officers of the Lodges within Sierra Leone and most importantly the contacts of officers of the various Lodges. I think the compilers need commending for job well done.

Let me thank the District Grand Masters of both constitutions for their cooperation to take Freemasonry to higher heights and for their support to the Inspectorate.

I wish you a Merry Christmas and a prosperous New Year.

Hussein Fawaz
Grand Inspector—Irish Inspectorate in Sierra Leone

The District Grand Lodge of Sierra Leone and the Gambia EC

“We no doubt look forward with great expectations to Year 2023 and its full pack of Masonic activities. The need for an orderly and organized program of these activities cannot be underscored. It is therefore with much delight that I want to congratulate and compliment the compilers of Memento 2023 for providing this invaluable annual planner for brethren, lodges and rulers of the craft and higher orders to guide their plans for Masonic duties and other social and work commitments during the course of the year.

This handbook is a helpful tool to all of us and is produced at unquantifiable time-cost. It is therefore recommended for individual ownership by brethren at all levels in order to exhibit our appreciation to the authors and to motivate them to continue to engage in such time consuming task.”

May I take this opportunity to extend sincere thanks and appreciation to the compilers and to wish you and your respective families a joyous Christmas and a happy new year.

EXTERNAL RELATIONSHIP

As a Mason, you have to be careful how you admit visitors. They may come from unrecognized constitutions. Always consult your District Grand Secretary. Likewise be careful how you visit Lodges abroad since there are bodies styling themselves as Masonic, which are far from being such. Always consult the current Year Book of the Grand Secretary.
